Greetings from recovering NC- that ice storm was a real horror. How some people managed, I don't know. We got off pretty easy- no tree loss or damage, but 3 very cold days without power. Used most of the fire- wood but never quite got warm!!

We 3 are going to YSO for a week in early January. Will help Dad do a little

Dear Uncle Mike and Aunt Betsy,

I'm glad I got to see you in 2005 at Susie's wedding - a real highlight for me. Alice will be here all week next week, and we'll have Dad over lots, which I'm looking forward to. Bob + Koko visit too, so it will be good to all be together and face the big hole...

Much love, Katie
